Dear Sandringham Gardens Residents

COVID-19 PREVENTATIVE MEASURES

Thank G-d we are at a stage at Sandringham Gardens where we have no active infections amongst either our residents or our staff.

We are nonetheless seeing a surge of infections throughout the country and even within our own community. As you would have seen from our previous correspondence there have also been a small number of infections at Our Parents Home and Selwyn Segal.

We feel, therefore, that it is both important and prudent - as a protective and preventative measure - that you isolate yourselves in your rooms for the coming week as this virus builds momentum and appears to be approaching its peak.

This isolation will begin from tomorrow, **Tuesday 23rd June**.

This measure is being taken for your own safety and in an effort to protect you and keep you well.

Meals will be delivered to you in your rooms. If anyone needs any additional emotional help, our social workers will be available to visit you in your rooms or to chat to you on the phone. They can be contacted telephonically on: 078 803 9120 and will be working on a roster to ensure that someone is always available. Emotional Care Packs will be distributed. We will be coming past with our shopping trolley for those who wish to purchase any items and the Programming team will be passing by to drop off activities, books, puzzles, etc.

I am also requesting that people refrain from smoking in their rooms. If anyone needs to have a cigarette please go outside to smoke and return to your rooms right away thereafter. Please do not mingle while smoking.

Please remember to be vigilant with regard to all infection-control protocols which are:

- Physical distancing of at least 2 meters
- Wearing masks at all time outside of your rooms
- Frequent handwashing with soap or sanitiser
- Not touching your faces
- Cleaning down surfaces in your rooms

We will do everything we can to assist you during this time. Let's rather be safe than sorry. With the help of Hashem we are doing well at Sandringham Gardens and would really like to keep it that way.

Please G-d we should have only good news to report.
Thank you and keep well
